

## LED INDUSTRIAL LUMINAIRE WPCR45

The Lumax WPCR45 is the ultimate solution for lighting food preparation and production areas. Featuring wide lighting distribution and high light output for improved on task lighting levels and visual comfort.

The Lumax WPCR45 features, as the key component, PMMA Opal diffusers that are resistant to chemical attack during wash down and therefore perfectly suited to all food preparation and production facilities, and especially suited for the dairy processing industry.

Lumax	WPCR45
Diffuser	PMMA
Driver	Integral
LEDs	Edison
LED Qty's	432 pcs
Wattage	60W
Beam angle	180 deg
CRT	5000K
Amps	1.1A
Lumen Output	7600lm
PFC	0.9
CRI	>80
IP Rating	IP67
IKO Rating	IK10
Dimensions	1500mm x80mm
Operating range	Minus 20+45
Weight	2.7Kg
Electrical class	Class I
Mounting hardware	Stainless Steel
End caps	Stainless steel
Output cable length	800mm
Warranty	5 Years

INPUT VOLTAGE  
**240V**

OUTPUT POWER  
**60W**

LUMENS  
**7,600**

COL TEMP  
**5,000K**

LENGTH (MM)  
**1500**

WARRANTY  
**5 YEARS**
