TECHNOLOGY

LED WIDE BODY

WEATHERPROOF

PRODUCT
DATA SHEET

PETE

PETE

The IP65 protected wide body weatherproof luminaire ideal for internal or external use in corrosive, wet or dirty atmospheres, and is suitable for surface or pendant mounting.

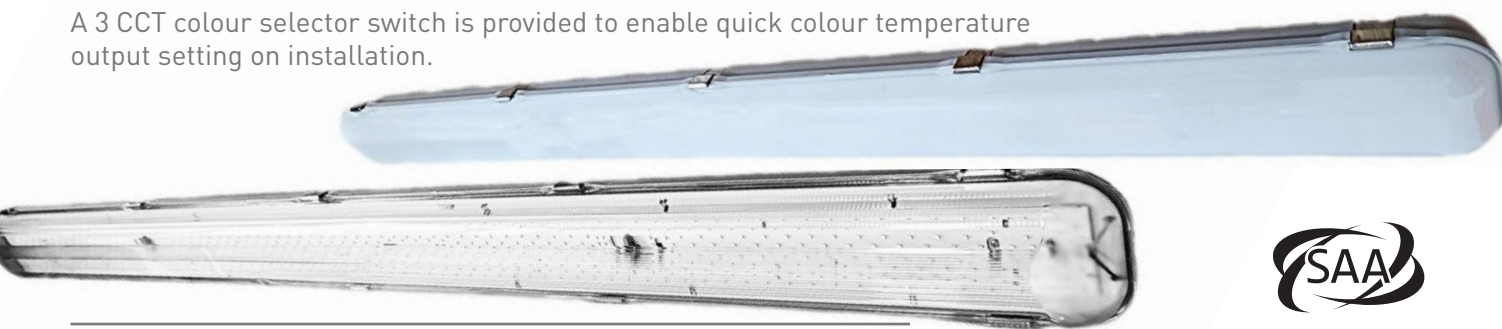

The luminaire employs an impact resistant polycarbonate body and a clear polycarbonate diffuser. Opal diffusers are available as a separate part (PTEOP).

Stainless steel diffuser retaining toggles, and the stainless steel mounting clips are supplied as standard and negate the need for drilling into the luminaire body, thus maintaining the integrity of the IP65 rating.

Suitable for residential, commercial and industrial applications.

Featuring the best LED Tridonic Driver available in the market for long service life and efficiency.

A 3 CCT colour selector switch is provided to enable quick colour temperature output setting on installation.

Lumax	PETE
Body	Polycarbonate UV resistant
Diffuser	Polycarbonate UV resistant/Clear
Driver	Tridonic
LED Diodes	Epistar
Wattage	60W
Amps	0.27A
Lumen output	6590lm
