

NARROW BODY LED WEATHERPROOF

SLIM 39 & 55

The SLIM range comprises IP65 protected weatherproof luminaires ideal for internal or external use in corrosive, wet or dirty atmospheres, and is suitable for surface or pendant mounting.

A very narrow body luminaire suitable for most residential, commercial and industrial applications.

Stainless steel diffuser retaining toggles, and the stainless steel mounting clips are supplied as standard and negate the need for drilling into the luminaire body, thus maintaining the integrity of the IP65 rating.

Suitable for residential, commercial and industrial applications.
